

FACILITATION LICENSE AGREEMENT

Horizon Presentations in collaboration with the
International Association of Administrative Professionals®

LICENSE AGREEMENT

This facilitation license agreement (the "License Agreement") is between the Licensor, Horizon Presentations ("Horizon") and _____ ("Licensee"). This License Agreement is made effective by the signature of both parties on the date noted below.

The content of this License Agreement is as follows:

1. SUBJECT MATTER

The content of this License Agreement covers in-person study group facilitator materials as described herein (the "Materials") which remain the property of Horizon. The Licensee is permitted by Horizon to use the Materials for the specific purpose to facilitate in-person study groups for the International Association of Administrative Professionals ("IAAP") Certified Administrative Professional® ("CAP"®) certification examinations. To enable the use of the Materials, Horizon will support the Licensee with necessary training materials and tools, including Action Plans, reference textbook, handouts, activities, Annotated Facilitator's Guide, and other facilitator materials as may be developed for this purpose.

2. EXTENT OF LICENSE

2.1 Nonexclusive Right

The Licensee accepts a non-exclusive right in terms of conditions of this License Agreement to use the Materials to facilitate **ONE** in-person CAP study group only and such right terminates as set forth below.

2.2 Territory

The licensed territory is IAAP's _____ Local Area Network ("LAN") only and may not be used outside of this territory. The Licensee is not permitted to make, use, sell, or redistribute in any way the Materials, or any portion of the Materials.

2.3 Improvements

Improvements by Licensee

All improvements to the Materials by the Licensee must be reported by the Licensee to Horizon for approval. Improvements in this sense include any advances which can be directly used or applied by the Materials and which are copyrightable or patentable. Such improvements shall be considered a work made for hire and/or shall remain the property of Horizon.

Improvements by Horizon

Horizon agrees to inform the Licensee about all improvements to the Materials. The Licensee has the right to be licensed to the respective new Materials by the conditions of this License Agreement with no additional consideration.

2.4 Term

This License Agreement terminates on the date of the first CAP certification examination following the effective date below.

2.5 Extensions

Upon written request of Licensee, the terms and conditions of this License Agreement may be renewed for one additional term by Horizon with the approval of IAAP for a like fee arrangement provided Licensee makes payment of additional said fees as set forth below.

3. FEES

3.1 Fee

Licensee agrees to pay Horizon a nonrefundable license fee of \$250.00 plus \$15 (shipping & handling) for the right to use the Materials to facilitate **ONE** in-person CAP study group **only**. No other rights, continuations, or privileges are granted under this License Agreement. Licensee acknowledges that Horizon will share a portion of the base fee with IAAP under a separate confidential agreement.

3.2 Continuations

Licensee agrees that the fees set forth herein are for **ONE** facilitated study group **only**. Fees for future study groups are solely determined by Horizon and IAAP and are subject to change. Horizon and IAAP agree to give advance notice of any future fee increases.

4. INFRINGEMENT

4.1 Distribution

Licensee agrees not to distribute, copy, or share the contents of the Materials electronically, in hard copy, or in any other way that is not specifically authorized by the Action Plan Guide without the explicit approval of Horizon.

4.2 Extensions

Licensee agrees to not use these Materials for any study group or purpose outside of this **ONE**-time License Agreement unless further fees are paid as described in §3 above.

4.3 Violations

Licensee agrees that any infringement of Horizon's Materials pursuant to this License Agreement are illegal and will be prosecuted.

5. GENERAL CONSIDERATIONS

5.1 Representations and Warranties

Horizon represents and warrants the Licensee:

- a. Horizon owns the Materials and its legal property rights, which gives the right to grant the respective license. Horizon possesses the contractual right to grant the License in case of improvements of the Materials.
- b. The Materials and its property rights are valid according to the knowledge of Horizon at the date of signature.
- c. The use of the Materials is to be implemented pursuant to the knowledge of Horizon **without any exceptions**.
- d. The Licensee has no liabilities or obligations to Horizon's Materials improvements.
- e. On the request from the Licensee, Horizon will provide the Licensee access to the Materials and training tools agreed upon in this License Agreement without further consideration.
- f. Horizon will inform the Licensee immediately in case legal changes affecting the Materials emerge.

5.2 Obligations

The Licensee will take all necessary steps to protect the proprietary information contained in these licensed Materials and keep the terms and Materials' content confidential.

6. GOVERNING LAW

This License Agreement will be interpreted and construed according to, and governed by, the laws of the state of Minnesota. Any dispute regarding this Agreement shall be examined under jurisdiction of these laws.
